SAT Prep Course for High School Students

We are celebrating 30 years of successful SAT exam preparation! High school students rave about the individualized attention they receive from our experienced, professional SAT instructors. Students have increased their scores by up to 360 points* as a result of the course's proven test-taking strategies and intensive review.

This course is thoroughly updated for the new, reformatted SAT, including the latest score-boosting techniques and an in-depth review of reading, math, writing and language. The course fee includes all SAT prep materials.

Course is completed in time for the May 7, 2016 SAT exam.

Course Coordinator: Robyn Freiman, M.S. Ed.

*Score gains based on original SAT exam.
