

12:30 p.m. – 2:00 p.m.

Concurrent Session 2A

Why Music Therapy? A Look at MT Across Hospice Domains

Objectives:

Attendees will come away with an understanding of common music therapy interventions used in hospice care, how they evolve as patients decline, and how music therapy interventions are effective in bolstering the efforts of other team members, including nursing, pastoral care, and social work in accomplishing goals for patient-centered, culturally sensitive

Presenters Bios:

Charla Burton, LCAT, MMT, MT-BC, Clinical Training Program Coordinator, Creative Arts Therapy Department, MJHS Hospice & Palliative Care

Meredith Ferrel, LCAT, MA, MT-BC, Creative Arts Therapy Department Team Leader, MJHS Hospice & Palliative Care
