THE SIXTH ANNUAL

Palliative Care Conference

FRIYDAY, MAY 2, 2014 • 8:30 A.M. – 3:30 P.M.
Molloy College, in collaboration with FEGS Health & Human Services and a network of community partners, is pleased to be offering its 6th Palliative Care Conference on Long Island. The conference will be held on Friday, May 2, 2014 from 8:30 a.m. – 3:30 p.m. in the Madison Theater in the Public Square at Molloy’s Rockville Centre campus. The agenda for the day will include a Keynote Speaker, Dr. Bernard Lee, Associate Chief Medical Officer of MJHS Hospice, a series of topics offered during two concurrent sessions, lunch and a Closing Session.

This year’s conference will focus on the new developments in this growing and dynamic field. Experts from Medicine, Nursing, Pastoral Care, Child Life and Social Work will present the latest advancements in the fields of symptom management, ethics and communication, staff self-care and bereavement. Clinicians from across the continuum will engage participants in discussions about best practices and barriers to timely excellent palliative care in hospitals, nursing homes, and hospice organizations.

As always, the main objective of this year’s conference is for the participants to come away with new tools to provide professional, competent, compassionate care to patients and their families. At this year’s conference we will again provide clinicians from all disciplines with a wide variety of palliative care topics, presented by an outstanding group of speakers.

WHO SHOULD ATTEND?
The intended audience includes: Physicians, Physician Assistants, Nurse Practitioners, Nurses, Social Workers, Clergy, Psychiatrists, Therapists (including physical, recreational and occupational), Dietitians, EMTs, teachers, students and volunteers.
