Molloy College, Division of Continuing Education
and Professional Studies presents:

SAT Prep Program

Spring 2021

We offer:

- Expert instructors
- Small class size
- Saturday and Weeknight Schedules
- Reasonable tuition rates

Dear Student and Parent:

Making the decision to attend college is one of the most important decisions you will ever make and you know how important the SAT exam is for college admission. Most colleges require applicants to take the SAT as part of their evaluation package. This course will prepare you for the SAT exam. High school students taking our course have boosted their scores by as much as 360 points on the SAT exam!

Designed by experts, the SAT test preparation program uses actual SAT questions and provides an easy to follow preparation plan. You'll gain confidence as you learn the latest test-taking strategies. Our instructors, who are all highly skilled, experienced, state-certified teachers, will guide you through lessons using actual SAT questions. You can get the scores you need to gain acceptance to the college or university of your choice. Improve even good scores and make them higher by learning the essential strategies and reasoning tactics that work on the SAT. In this effective course, you will review the math, reading and writing skills that directly relate to the questions and format of the test. You will feel more confident than ever after our intensive verbal and math-focused sessions. Interactive activities will teach you to sharpen your critical thinking skills to hone in on the correct answer. Test taking strategies are emphasized including question formats, time management and informed guessing.

Students generally take the SAT during their junior year of high school. Our SAT test prep course is ideal for rising juniors that may be taking the test for the first time, for high school students who have already taken the exam and wish to improve their score, and those younger students who are curious about the latest format of the SAT.

Our SAT course is conveniently scheduled in the weeks leading up to the most popular SAT dates. Classes are scheduled to allow time to practice new skills between sessions. Our multi-week format course leads to greater opportunities for learning and interaction with our expert instructors.

Please register early! Enrollment is limited and our courses usually close-out.

Sincerely,

Louis J. Cino, Dean
Division of Continuing Education
& Professional Studies
Molloy College

P.S. You can now register online at www.molloy.edu/ce.

We have a proven record of successful SAT exam preparation! High school students will prepare for the SAT including the critical reading, math, and writing sections. Students rave about the individualized attention they receive from our experienced, professional SAT instructors.

Those who have taken our course have increased their SAT scores by up to 360 points as a result of the course's proven test-taking strategies and intensive review. The course fee includes all of the latest SAT prep materials. The course runs once a year in the spring for 6 sessions from mid-March to the late April/early May and will be completed prior to the May 8, 2021 exam.

Both the evening and Saturday sections of the SAT course will be held on Molloy's Rockville Centre campus. Classroom locations to be announced.

Program Coordinator: Vanessa Podesta, M.A.

Course number: AP1400

Tuition: \$575 (includes SAT prep materials to be given out in class)

Course Schedule:

Section	Day	Begins	Ends	Times
Section A	6 Saturdays	3/13/21	5/1/21 (nc 3/27, 4/3)	9:30 a.m. - 12:45 p.m.
Section B	6 Mondays	3/15/21	4/19/21	6:30 p.m. - 9:45 p.m.

Make-Up Policy:

Students enrolled in an SAT prep section are not permitted to attend the course on a different day or evening after the course has started without the permission of the SAT prep coordinator. This permission can be obtained by contacting Vanessa Podesta, M.A. at (516) 323-3557 or at: vformoso@molloy.edu. She will attempt to accommodate each student's need for a make-up session, subject to the availability of space in a given classroom. One make-up is allowed.

Refund Policy

A full refund will be granted as long as you contact us prior to the start of the course. An 80% refund will be granted after the first session. No refund will be granted after the second session.

Location:

All sections of the course will be given on the Rockville Centre campus of Molloy College located at 1000 Hempstead Avenue, Rockville Centre, NY 11571. Travel directions will be sent with your confirmation.

You will be notified of your room location shortly before the start of the class.

Course Registration:

To register online for the course please visit:
www.molloy.edu/ce/sat.

You may also phone in your registration by calling 516.323.3550 with your MasterCard, Discover, or Visa credit card information. To register in-person, by fax, or mail: please see the registration form on the back cover and follow the directions.

Confirmation of your registration and travel directions will be sent to you upon receipt of your registration.

COVID-19 Precautions

I know that you might be concerned about your son or daughter returning to the classroom and we are taking all the necessary health and safety restrictions recommended by the Center for Disease Control and the NYS Department of Health. Some of these measures include:

- We will follow guidelines for physical distancing, which will restrict the number of students and faculty in each learning space.
- For the protection of all members of our community, a face covering that covers both the nose and mouth must be worn at all Molloy locations in every enclosed space by individuals who are able to tolerate such covering.
- Every individual will be required to take their temperature upon entry into the building when they arrive. Students who have a fever will be asked to leave for the day.
- All members of the Molloy community (employees, students, vendors, and scheduled visitors), are expected to self-monitor their health every day. Each individual must complete the COVID-19 Symptom Questionnaire every day prior to coming to a Molloy location. The COVID-19 Symptom Questionnaire will be sent to you. Please complete the COVID-19 Symptom Questionnaire prior to coming to class for each session and hand it in to your faculty member in class.
