Dear Parent:

If your child is planning to attend one of the ten Catholic high schools on Long Island in September 2016, he or she is required to take a rigorous entrance exam in 8th grade as part of the admissions process. This exam will be administered on Oct. 31, 2015.

Our Catholic High School Entrance Exam Prep Course can improve your child’s score through preparation in the five sections of the exam: Reading, Word Study, Grammar, Mathematics, and Writing.

Your child also learns proven test-taking strategies to work confidently and effectively.

A higher score on the Catholic High School Entrance Exam can mean acceptance to the high school of his or her choice.*

I urge you to enroll your child today because classes fill quickly.

Cordially,

Louis J. Cino
Louis J. Cino, Dean
Division of Continuing Education and Professional Development

*80% of our students received acceptance to their first choice school in our recent survey.
