

“Hello everyone I am happy to greet you on this 66th founders day celebration.

I am an Amityville Dominican Sister - S. M. Jean Agnes Geraghty, O.P. of Molloy's graduating class of 1972.

I was the last graduating class of Molloy Catholic College for Women. Mother Celeste was President and we were her last graduating class She retired after our graduation. I was in the Nursing Division. We were a class of about 40.

I returned to Molloy College from 1990 to 1995 as the Nursing Lab. Supervisor.

The Lab. was located in the Kellenberg building at that time. I moved and relocated it to the Casey Building.

In 1993 Assistant Professor Mary Jane Guilfoyle, RN and I traveled to the Philippines with 5 Senior Nursing Students to observe Nursing there. We visited hospitals, clinics, Mother Theresa's Orphanage, and a Polio center. We also met other nursing students studying in Davao. We spent 2 weeks in the Province of Davao and 2 weeks in Metro Manila. This was a very enriching experience for all of us.

I wish the Molloy College Family God's Abundant Blessing! S. Jean
