Being an effective writer is one of the best ways to succeed in academic and professional settings. The Writing Center at Molloy College is offering a series of dynamic workshops for motivated high school juniors and seniors and students entering college as freshmen in 2015.

Whether the goal is to become a more confident writer in the academic setting or to cultivate creative expression, our summer program is the place to develop effective strategies for crafting relevant, original writing assignments, and to engage in lively discussions about the writing process.

The Experience

• Collaborative workshops
• Access to college resources
• Campus tour with department representatives discussing writing in their fields
• Guest speakers
• Certificate of Completion and Scholarship Award
• Open mic featuring students’ work

Professional writing consultants from the Molloy College Writing Center facilitate each workshop during this intensive program.
