Molloy University Mission Statement

Molloy University, an independent, Catholic University, rooted in the Dominican tradition of study, spirituality, service and community, is committed to academic excellence with respect for each person. Through transformative education, Molloy promotes a lifelong search for truth and the development of ethical leadership.

We Welcome You To Be A Part of Our Mission

At Molloy University we educate highly effective leaders who are critical thinkers and compassionate people. Our faculty and staff contribute their individual talents to our mission, advancing our collective vision while demonstrating the core values of the University in everything they do. Rooted in our Dominican tradition, Molloy has a supportive environment, is committed to community engagement, and is a great place to build a career.

The intellectual interchange essential to a Dominican University requires and is enriched by the presence and voices of scholars and students from diverse backgrounds and faith traditions. What Molloy University asks of its community is not a particular creedal affiliation, but a respect for its values and guiding virtues. The University insists upon academic freedom that invites rigorous and respectful dialogue in the search for truth (*disputatio*) and makes ongoing inquiry and discovery paramount.
