**Faculty Paid By Scheduled Hours**

Paid Sick Leave for those part-time faculty who work a scheduled number of hours for the semester will be calculated by the following formula:

***Number of Scheduled Hours divided by 30*** . For example: A faculty member who is scheduled to work 180 hours for the semester will earn 6 hours of paid sick leave for that semester. Balances will be updated each semester.

**Auxilliary and Transition Faculty**

Auxilliary and Transition Faculty will be credited with 28 hours of paid sick time per calendar year.
