

APPLICATION DETAILS

- Email a letter of interest and current curriculum vitae or resume to DJ Mitchell at dmitchell1@molloy.edu by 5 p.m. on April 30th each year. Letters of interest should: 1) highlight the project of interest; 2) highlight the qualifications and/or experiences that make the applicant a strong candidate for the project of interest; and 3) share initial goals and objectives for the project along with proposed outcome and evaluation measures.
- Applicants must receive approval from their chair or program director and dean prior to applying. A brief email or letter of support should highlight the chair or program director and dean's support of the applicant and acknowledge the need for course coverage during the Mission Integration (MI) Faculty Fellow's experience if necessary.
- MI Faculty Fellows appointments will be finalized by May 15th each year and begin the following semester.
- The Vice President for Mission Integration will provide letters of documentation to demonstrate efforts by MI Faculty Fellows to support annual reviews and promotion and tenure processes as appropriate.

MISSION INTEGRATION FACULTY FELLOWS PROGRAM

OVERVIEW

The Vice President for Mission Integration and Provost and Vice President for Academic Affairs invite interested faculty to consider participating in the Mission Integration (MI) Faculty Fellows program. MI Faculty Fellows are provided a leadership development opportunity by working with the Vice President for Mission Integration to support initiatives committed to advancing MI efforts at Molloy University.

TERMS

MI Faculty Fellows serve one-year terms with one course reduction (i.e., 3 hours of load) per academic year (September 15th to May 15th); terms are renewable for an additional year based on progress towards goals and institutional needs. Schools that have MI Faculty Fellows will receive funds as appropriate to cover the costs for courses where reassignments necessitate part-time faculty. MI Faculty Fellows' projects and terms are set by the Vice President for Mission Integration and Provost and Vice President for Academic Affairs annually.

CURRENT PROJECTS

- Current projects are listed on the [Mission Integration Faculty Fellows webpage](#).

WHO IS ELIGIBLE?

- Full-time, tenured faculty at the associate professor rank or higher.

ADDITIONAL DEI FACULTY FELLOWS ROLES AND RESPONSIBILITIES

- Meet with other MI Faculty Fellows and the Vice President for Mission Integration throughout the academic year.
- Complete a year-end summary that includes a review of goals and objectives, including an assessment of the extent to which those goals and objectives were accomplished.
