

Proud to be Molloy!

The pride of a 'Pioneer' could not be more evident than seeing the announcement in the August 2016 issue of Money Magazine's acknowledgment as stated --

"#1 Value All-Star" in the entire Country!

May I take the liberty of speaking for all my classmates? We have harkened back to our initial education as '915' Pioneers. This was done recently in order to record our 'Cameos' and to begin recalling the Legacy of those early years when MCCW was founded in the year 1955.

Molloy's commitment to those same Dominican values of six decades ago, is still embraced by Dr. Bogner's leadership and as expressed in your mission... They are the foundation that has earned this recognition.

Continue to educate your students and reach out to your alumni in the tradition of the Order of Preachers. Congratulations, as this Molloy family can only benefit from your Pillars of Excellence.
