Course Outline

Molloy College in Cooperation with the Institute of Homeland Security and Training

Course Description:

Welcome to the Institute of Homeland Security and Training, in cooperation with Molloy College, headquartered at T2 Asset Group D/B/A F6 Labs, Hicksville New York. For more than a decade, our facility has been providing training to both Military Branches and Law Enforcement Agencies from around the world. We provide students with the materials necessary to implement the knowledge learned in our course in a safe and effective manner. This is a 5-week program that will teach each student firearms safety, weapon nomenclature, proper weapons handling, fundamentals of marksmanship, as well as an introduction to tactical medicine, tactical procedures and response to a mass casualty event. This course is ideal for anyone who is interested in a law enforcement or military career. This program is also encouraged for those who are looking to have a better understanding of firearms and firearms safety. The instruction in this course is provided by veterans from each branch of the United States Military as well as active Law Enforcement Officers from state, federal and local agencies. Limited Enrollment: 15 seats.
