

2025-2026 Independent Verification Worksheet

Federal Student Aid Programs

Your **2025–2026** Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided the correct information, the financial aid office at Molloy University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. **You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office at Molloy University.** Molloy University may ask for additional information. If you have questions about verification, contact your financial aid office as soon as possible so that your financial aid will not be delayed.
