

MOLLOY COLLEGE The Barbara H. Hagan School of Nursing

Clinical Learning Center Remediation Procedure

1. Remediation forms are available in the Nursing Lab in Hagan Room 103 or may be downloaded from the Nursing Lab website.
 - a. Verbal requests for Remediation (on behalf of Faculty) cannot be accepted.
2. Immediately upon receiving remediation form from Faculty, student must contact the Nursing Lab Director, Mary Lane at 516.323.3750 to schedule an appointment on campus where remediation will take place.
3. Faculty must clearly identify the need for remediation of psychomotor skills and the measureable activities required to meet that need.
4. Remediation will be completed within one week of the Faculty request.
5. Once the remediation has been completed, a copy of the referral form and accompanying Lab Attendance form will be given to the student to return to faculty.
 - a. The original Referral form will be kept in the Nursing Lab.
