

FALL 2020 events

hosted by

Time management Leads to Success!

Join us via ZOOM for tips to stay motivated
and on task in online courses!

- ❖ Organizing time for class (checking in daily)
- ❖ Mapping out coursework, and knowing what is ahead (not just what is immediately due)
- ❖ “When it comes to getting your assignments in on time, a good time-management tactic is to become familiar with the structure of your classes and the work that will be required of you.
- ❖ Effective studying tips- avoiding cram sessions
- ❖ “Taking ownership of your education”
- ❖ Engage with your professors! Keep lines of communication open and don’t be afraid to ask for clarification or help.
