2022-2023 COVID ANNOUNCEMENT

In preparing for the 2022-2023 school year, the health and safety of the Molloy community is paramount. Creating a safe campus environment is all of our responsibility, and Molloy will not tolerate any actions by students, faculty, or staff that jeopardize the health of our campus community.

Due to COVID-19, Molloy has implemented or may implement policies and plans for the 2022-2023 academic year that affect the University’s normal operations, including some of the procedures, policies, events, and other topics discussed in the Student Handbook. Please refer to Molloy’s COVID-19 Information and Updates and COVID-19 Safety Rules and Precautions to learn more about changes to normal University operations during the 2022-2023 academic year. Please contact specific departments on campus with any questions as to how normal operating procedures may be impacted by Molloy’s COVID-19 policies.

For the 2022-2023 academic year, Molloy has issued COVID-19 Safety Rules and Precautions (available via the Stay Safe Pledge link below). Molloy has also issued a COVID-19 vaccination policy, which requires all students and employees, except those with approved medical or religious exemptions, to receive the initial COVID-19 vaccine series before returning to Molloy for the start of the Fall 2022 semester. Boosters are strongly encouraged. Molloy students are expected to comply with the Student Handbook, Stay Safe Pledge, Molloy’s COVID-19 Safety Rules and Precautions, Molloy’s COVID-19 vaccination policy, New York State guidelines and executive orders issued by the New York State Governor’s Office, and guidance from the CDC (Centers for Disease Control), state and local health departments.¹

Students who violate these requirements will be met with appropriate sanctions. Failure to fully comply with Molloy’s policies and health and safety standards could result in a student’s immediate removal from campus and transition to remote learning, or possible judicial consequences, including suspension or expulsion, as outlined herein and in the Student Handbook.

Due to the COVID-19 pandemic, students are advised that all or some of the instruction for the 2022-23 academic year may be delivered remotely. Because of the possibility of these changes, the official policy regarding instruction is the online version of the Academic Catalog, which can be found here. The University reserves the right to make changes of any nature in programs, course content, calendar, academic schedules, program delivery methods, or other academic activities whenever these are deemed necessary or advisable at

¹ To the extent that provisions in this Handbook conflict with provisions in the COVID-19 Safety Rules and Precautions, those rules will govern.
the sole discretion of the University.
It is the student’s responsibility to know and follow current requirements and procedures at all department, school and University levels. Molloy University reserves the right to deny admission, re-admission, registration, or re-registration and to dismiss or suspend either from classes or a University residence any student who is unable to meet the University’s academic or health standards, or whose behavior is not in accord with the rules and regulations of the University.

The Director’s office is located at the back of Maria Regina Hall.

2) RESIDENCE LIFE COORDINATORS (RLC)

The Residence Life Coordinators (“RLCs”) are responsible for assisting the Director of Residence Life with day-to-day operations. The position requires an individual who is flexible enough to assume a variety of roles as dictated by the changing needs of students. An individual must be able to relate well to others and handle administrative responsibilities. The RA is more than just a friendly presence; they are the crucial link in creating an environment in which students develop independence, learn to live cooperatively with others, and thrive as students.

5) Resident Safety Representatives (RSRs)

The Resident Safety Representative (“RSR”) position staffs the residence hall front desks from 6:30 am-11:00 pm every day that the halls are open, ensures that guests are logged in and out of the building, and oversees any access issues. III. GENERAL POLICIES & PROCEDURES

A. INTRODUCTION TO RESIDENCE LIFE

By choosing to live in the residence halls, Molloy University students are electing to reside in a living and learning community. As a member of this community, it is important to learn to compromise with others to maintain an environment in which all members of the community may grow as individuals and may pursue learning as a cornerstone of the campus residential experience.

Community regulations, policies, and standards are established to assist in shaping this environment, to protect your rights as a Resident, and to define the responsibilities you have to others. As a member of the Molloy Residence Life community, you are required to abide by all local, state, and federal laws, as well as by the University’s community standards, regulations, and policies.

Living in a residence hall is about meeting new friends, being part of a caring, diverse community, and succeeding academically. Our residence hall community strives to foster an environment where all Residents feel welcome and are viewed as valuable members of the Molloy University and local Rockville Centre/South Hempstead communities.

B. OFFICE OF RESIDENCE LIFE REGULATIONS & POLICIES

The following policies and regulations are binding for all Residents, their visitors, and guests. Residing on campus is a privilege and not an absolute right. When students live on campus, they explicitly agree to the policies, regulations, and procedures of the University and accept responsibility for their behavior. The regulations and policies promulgated by the University pertaining to Residence Life establish our expectation that students and Residents will demonstrate consideration for their peers and the community and will take proper care of University property. Students who violate Residence Life policies and regulations may be referred to the conduct process for student disciplinary action as described in the Molloy University Student Handbook and this Office of Residence Life Handbook.

Conduct that is prohibited in this Handbook may also be prohibited under other University policies, including those in other handbooks. If conduct violates more than one University...
policy, the University reserves the right to determine, on a case-by-case basis, whether one policy’s disciplinary procedure will be utilized for all alleged violations (regardless of the source policy for the violation) or if the violations will be separately resolved pursuant to the policy that gave rise to them, meaning that the student may be simultaneously subject to the disciplinary processes contained in each violated policy.

IV. HEALTH & SAFETY PROCEDURES

A. EMERGENCY EVACUATION

If the fire alarm sounds, the occupants of the building must evacuate the residence halls immediately. Fire drills will be conducted at least twice a semester.

1. If your door is hot to the touch, do not open it. Roll up a wet towel and place it at the base of the door to prevent smoke penetration. Go to the window, open it, and stay there until help arrives.
2. If your door is cool to the touch, open it slowly. If the hallway is clear, close and lock your door and proceed to the nearest exit.
3. Always use the staircase to evacuate the building. Do not use the elevator.
4. If you encounter smoke, take short breaths through your nose and stay close to the floor.

Once outside the building, proceed to the Anselma Room and wait for instructions from Public Safety or an authorized staff member. Please do not leave the Anselma Room until instructed to do so by Public Safety or another staff member.

B. FIRE EXTINGUISHERS

Fire extinguishers are located in each wing of the residence halls. In the event of a fire, aim the extinguisher at the base of the fire and after pulling the pin, squeeze the handle. Do not tamper with the extinguishers unless there is an actual fire emergency. If a Resident is found tampering with a fire extinguisher in an event where there isn’t a fire, the Resident will face disciplinary action. You must be trained to use fire extinguishers. All RAs are trained in the proper usage of fire extinguishers.

C. FIRE SAFETY POLICY

Molloy treats fire safety with EXTREME seriousness. Violations for fire safety policies will
result in strict sanctions including but not limited to dismissal from the Residence Life community and/or expulsion from the University. Anyone caught pulling a false alarm will be immediately expelled from the hall and could face legal action. Additional violations of the fire safety policy include, but are not limited to, having any: wall and/or ceiling coverings or treatments including, but not limited to, wallpaper, paneling, fabrics, nettings, tapestries and stickers, partitions, ceiling fans, waterbeds, space heaters of any type, grills of any type, decorative wood shingles, and extension cords without a surge protector. The use of any one of the following is also prohibited: plumbing and/or heating devices, candles, electric string lights, incense, hot plates, halogen lamps, toaster ovens, microwaves (unless rented from the University), television aerials and dishes, radio transmitters or receivers.

Report any fires, regardless of size, immediately to Public Safety by calling (516) 323-3500 and to an Office of Residence Life staff member.

Any cooking appliances found in the halls will result in confiscation and serious disciplinary action. Do not overload your electrical outlets.

Smoke detectors are your most immediate and direct protection from a fire because smoke occurs before a fire begins. They will sound when any smoke is present in the air. DO NOT disconnect or tamper with these smoke detectors or you will face disciplinary action up to and including expulsion.

D. HEALTH AND SAFETY INSPECTIONS

Although every effort will be made to respect privacy in a Resident’s room-suite, Molloy University reserves the right of entry for the maintenance of health, safety and security, and standards of conduct. Inspections occur to keep rooms/suites in livable and safe conditions throughout the entire academic year. Inspections may occur at any time and without notice. All rooms/suites will be inspected once a month. During a Health and Safety inspection, a Residence Life staff member will enter a Resident’s room and check for any violations in plain sight. Any violations found will be confiscated and Residents will receive notification of confiscated items.

1. Any personal property stored in a Resident’s room/suite must not interfere with the health and safety of the Residents and must not damage University property.
2. Residents may not keep excessive trash in their rooms/suites or common areas.
3. All items drawing an electrical current must meet the federal, state, and University safety regulations.
4. Surge protectors should be used with items. Only 4-6 outlet surge protectors are
permitted. Surge protectors must have an on and off switch.
5. Extension cords without surge protectors are prohibited.
6. Irons with automatic shut-off are permissible.

Office of Residence Life staff members will look for the following during an inspection:

1. Prohibited items
2. Cleanliness/healthy living environments
3. Safety violations

If a room/suite fails a health and safety inspection, they will receive a formal letter of warning. A re-inspection will be done at the discretion of the Office of Residence Life. Failure to pass a future health and safety inspection may result in judicial action and a fine.

E. SAFETY & SECURITY POLICY

To maintain a safe and secure residence hall, Molloy University has equipped each building with security cameras on each floor, in each stairwell, and around the exterior of the building. The desk in the lobby of each building that monitors the front door will be staffed 24 hours a day and Public Safety will periodically patrol the interior and exterior of the building every day. That being said, actively promoting safety and security within the Molloy community at all times is everyone’s responsibility. To ensure a safe living environment, please abide by the following rules, or risk disciplinary action:

- Doors will not be propped open.
- Doors will not be barricaded closed.
- Latches and locks will not be disabled.
- Do not permit access to the residence hall by non-Residents who are not your guests, or Residents not permitted to be in the residence hall on campus (during breaks, etc.) and do not condone others doing so.
- Keep your room/suite door closed and locked when not in the room and understand that you enhance your safety and that of your roommate(s) by keeping the door closed and locked at all times.
- Immediately inform a member of the Office of Residence Life staff about any unsafe condition or behavior that threatens the safety and security of the community.

Office of Residence Life encourages Residents to take a proactive role in regard to their safety and well-being. Preparation and awareness are key to safety in any situation, so please keep the following in mind:
• Avoid walking alone if possible; use the “Buddy System.”
• Walk with an air of confidence and stay alert.
• Walk in well-lit areas.
• Keep your hands free, not overloaded.
• Always let close friends and family know where you are going and when you should be back.
• Do not lend out your Molloy ID card. Your Molloy ID card cannot be given to anyone else for access to your room and cannot be given to someone else to use in a campus dining hall.
• Report suspicious activity to Public Safety or call 911.

In an emergency (i.e., where the University has a significant concern regarding a Resident’s health, safety, or well-being), a notification will be made to a Resident’s emergency contact on file with the University.

Safety and Security infractions committed by a student will be adjudicated in accordance with the policies and procedures set forth in Molloy’s “Procedures for Student Discipline in Non-Academic Areas”. The following serves as a guide for sanctions should a violation be found. The Conduct Committee convened to review any safety and security related incidents under the “Procedures for Student Discipline in Non-Academic Areas” may deviate from the below depending on severity of the infraction.

A. First Infraction – Safety and Security

Permitting non-Residents who are not a Resident’s guest(s) or a Resident not permitted in the residence hall on campus (during breaks, etc.) into the residence hall and/or giving someone your ID to gain access to the Residence Hall will require a disciplinary warning.

In addition, the following sanctions are recommended:
• 20 volunteer hours
• Loss of guest privileges

B. Subsequent Infraction(s) – Safety and Security

Subsequent infractions of the safety and security policy can lead to additional volunteer hours, increased loss of guest privileges, and/or removal from the residence halls.
V. HOUSING POLICIES & STUDENT CONDUCT

It is the responsibility of each Resident to be aware of the following policies, as well as the policies in the Molloy University Student Handbook, and adhere to them as applicable. Any violation of the policies can result in disciplinary action ranging from a verbal warning to removal from the residence halls.

Conduct that is prohibited in this Handbook may also be prohibited under other University policies, including those in other handbooks. If conduct violates more than one University policy, the University reserves the right to determine, on a case-by-case basis, whether one policy’s disciplinary procedure will be utilized for all alleged violations (regardless of the source policy for the violation) or if the violations will be separately resolved pursuant to the policy that gave rise to them, meaning that the student may be simultaneously subject to the disciplinary processes contained in each violated policy.

A. ALCOHOL & OTHER DRUGS

The Office of Residence Life follows the Molloy University Drug and Alcohol Policy found here in the Molloy University Student Handbook: https://www.molloy.edu/about-molloy-University/offices-and-services/student-affairs/student-handbook. Violations of that policy, or the below Additional Residence Hall Academic Beverage Policy, will be adjudicated in accordance with Molloy’s “Procedures for Student Discipline in Non-Academic Areas,” found in the Student Handbook.

Additional Residence Hall Alcohol Beverage Policy

Alcoholic beverages may be consumed only by persons of legal drinking age and only at specific social functions in campus locations approved in advance by the University. No alcoholic beverages are permitted in any individual Resident rooms or any other area of the residence halls. Therefore, Residents may not drink, be under the influence of, possess, act in a disruptive/disorderly manner while under the influence of, sell, or provide alcoholic beverages in or around the campus residence hall. Alcohol paraphernalia, including but not limited to funnels, drinking-game boards/items, shot glasses, etc. are prohibited in Bogner, Fitzgerald and Maria Regina Halls. Residents may not use alcoholic beverage containers (cans, bottles, kegs, shot glasses, etc.) as decorations or for any other purpose in Bogner, Fitzgerald, and Maria Regina Halls.

Note: The health and safety of every student at the University is of utmost importance. The University recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to
domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. The University strongly encourages students to report domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to University officials or law enforcement will not be subject to the University’s code of conduct for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault. For more information, please refer to the University’s Sexual Misconduct Policy, located at https://www.molloy.edu/about-molloy-University/human-resources/non-discrimination-and-harassment-policies/sexual-misconduct-policy.

B. BIAS-RELATED INCIDENT INFORMATION AND CAMPUS CLIMATE REPORTING PROCEDURES

The Office of Residence Life follows the Molloy University Bias-related incident and campus climate reporting procedures found here in the Molloy University Student Handbook: https://www.molloy.edu/about-molloy-University/offices-and-services/student-affairs/student-handbook. Violations of that policy will be adjudicated in accordance with Molloy’s “Procedures for Student Discipline in Non-Academic Area” found in the Student Handbook.

REACH OUT AND REPORT (ROAR) SYSTEM

Molloy seeks to create a campus climate welcoming for all and does not tolerate bias and discrimination. When residents do experience or witness bias, discrimination, or other incidents that negatively affect the campus climate, they can report it using the ROAR System or by contacting the Dean of Students at 516-323-3455 or deanofstudents@molloy.edu.

While the ROAR System is monitored daily, if a student believes they or someone else is in immediate danger while at the Rockville Centre campus, they should contact Public Safety at 516-323-3500 or in person at the Department of Public Safety, located in a one-story building near the south end of Kellenberg Hall and close to Fitzgerald Hall. Public Safety is available 24 hours a day, 7 days a week. For all emergencies off-campus, dial 911.

Students can submit the report about a personal experience, an experience shared with them by a peer, or a witnessed experience. While students can submit the form anonymously,
follow-up is only achievable when students include their contact information. Once a report is filed, the report will be routed to the appropriate office(s) for follow-up (Please note that reports are handled on a case-by-case basis and timeframes for resolutions will vary).

C. SOCIAL NETWORKS

Social networks continue to grow in popularity and are used by millions of students, fans, alumni, faculty, businesses, and the media. While social networking websites are a great way to communicate, express yourself, and connect with others, it is advised that you are cautious about the information and pictures you post (or others post about you), as they may adversely affect your personal safety, personal and institutional reputation, and career advancement. Molloy University expects all Residents and students to maintain the highest standards of social and personal conduct.

While participating in social networking sites, please keep the following guidelines in mind:

- The information posted can be viewed by a larger audience than you might be aware of even if you limit access to your site.
- Exercise caution as to what information you post on your website including posts about your whereabouts, plans, where you live, phone numbers, or any other personal information. You could be opening yourself up to predators or stalkers.
- Should you encounter an inappropriate or harassing post, do not respond to it. Instead, save a copy of the post and report the incident to the Office of Student Affairs.
- There is a growing trend for employers to check Google and social networks to gather information about potential candidates. The online persona you create today may be available when you begin your internship or full-time job search or when you apply to professional or graduate school—even if you think you’ve deleted it. Carefully consider how you want people to perceive you before you give them the chance to misinterpret you.

Molloy University prohibits inappropriate, offensive, malicious and/or reckless behavior when utilizing public social media outlets. Residents’ use of social media must comply with Molloy’s policies, including but not limited to those set forth in the Student Handbook, as well as the University’s policies prohibiting discrimination and harassment, to the extent applicable. In a case where the University is acting as the complainant, an individual will be identified to serve as the University’s proxy and will fulfill the complainant’s responsibilities (such as filing the complaint, participating in the informal process, or otherwise participating in the disciplinary process) on behalf of the University.

The Conduct Committee convened to review any safety and security related incidents under the “Procedures for Student Discipline in Non-Academic Areas” is free to deviate from the below depending on severity of the infraction.

RAs will call subsequent wing meetings as necessary during the semester to address needs that affect the Residents of floors/wings.

D. CONFLICT RESOLUTION

Conflicts can arise when Residents live together. Sometimes roommates disagree about lifestyle issues such as what hours they want to study or when to have friends come over. Arguments with a roommate can result in a student devoting less time to their studies.

Maria Regina Hall also has a fitness center that is available to all Residents. Contact Athletics or Office of Residence Life for the current schedule and hours.

E. HEALTH SERVICES

Health Services is located in Wilbur Arts Center 103B. It provides programming on campus about important health topics and issues facing students. The office is also in charge of collecting student immunization records and ensuring the student health information is accurate and up to date.

If you are sick or injured, there is a list of urgent care facilities and hospitals in this handbook. For non-emergencies, please contact the RA on duty if you need to get to the doctor, pharmacy, or hospital; they can help you with finding transportation.

In an emergency, always contact Public Safety at 516-323-3500.

F. LAUNDRY

All Residents will be granted access to laundry through their ID/key card. If a machine is not working properly, please report this information to the Office of Residence Life by filling out a Work Order Form online.

G. LOBBY & RECREATION AREAS

Each residence hall has a main lounge and common areas that may be used by Residents and their guests. All residence hall lounges are always open and available to Residents. Consumption of food or drink in the lounge area should be done with care and discretion. Appropriate conduct is required of Residents and their guests. You MUST clean up any
trash and return any furniture to its proper location.

**H. MAIL**

Residents will be e-mailed when they receive a package and given instructions to pick up mail from the mailroom in Public Square. All other mail will be delivered to the Residents’ rooms by the RA on duty every evening (Monday-Friday).

Residents’ mail should be addressed exactly as shown below:

Resident Name  
Molloy University  
Building and Room Number  
1000 Hempstead Avenue  
Rockville Centre, NY 11571-9000

**I. PARKING**

First-year students who live in the Residence Halls are not allowed to have vehicles on campus. Upper-class students may park their cars on campus. Students are asked to only park in lots designated for student parking. Cars parked illegally or in prohibited spaces are subject to fines and booting.

Residents must register their vehicles with Public Safety. Because their cars will be on campus 24 hours a day, Residents will receive a parking sticker.

**J. STUDENT PERSONAL COUNSELING CENTER**

The Student Personal Counseling Center (SPCC) is a confidential and free counseling service available to all Molloy University students. The SPCC offers a variety of short-term counseling and psychoeducational services, including individual counseling, crisis intervention, support groups, wellness workshops, on-campus training, and student mental health consultations for faculty and staff. The SPCC utilizes the Solution-Focused Brief Therapy (“SFBT”) model. Unlike traditional therapy, SFBT is short-term and focused on helping students to resolve or effectively manage a specific issue or challenge or to make a particular desired change. Students who would benefit from longer-term counseling, intensive support, or some other mental health expertise not offered through SPCC will be referred to an appropriate off-campus provider.
The SPCC is located in Public Square 030, and the office is open Monday-Friday offering daytime and evening appointments. For appointments or consultations please call 516-323-3484.

In the event of an urgent transport to a medical facility that results in admission to an inpatient facility (inpatient facility refers to hospitals, residential treatment facilities and other facilities that provide 24 hour/day care), the student must provide evidence to the Vice President of Student Affairs, or designee, as required by Involuntary Leave Policy and Separation from College Policy within the Student Handbook.

https://www.molloy.edu/about-molloy-university/offices-and-services/student-affairs/student-handbook or in the event of a physical medical emergency, that the student is “otherwise qualified” with or without accommodations to participate in essential functions of the University programs and activities, such as but not limited to intercollegiate sports, class attendance, club and organization activities, and living on campus. For more information, please contact the Student Personal Counseling Center (SPCC).

K. TUTORING

The Molloy University Academic Enrichment program (“AcE”), located in Casey Room 013 and accessible online, prepares students for academic success. It provides students with support in two specific ways. Remediation is available when a student has below a “C” average in their major course of study and supplemental help is provided when a student is passing a course but requires reinforcement or clarification in particular aspects of the course work. The AcE program will assist students – free of charge – in achieving their academic potential in mathematics, science, and modern languages. Assistance in other disciplines is provided according to individual eligibility.

L. WRITING CENTER

Molloy Writing Center, located in Casey Room 016 and accessible online, supports the development of writing skills for Molloy undergraduate and graduate students. Tutors assist students by reviewing their papers in the various subject areas with them, emphasizing organization and development, grammatical correctness, and appropriate use of research documentation styles (MLA, APA). Appointments are given priority but walk-ins are welcome when possible.

M. CENTER FOR ACCESS AND DISABILITY
Through the Center for Access and Disability, Molloy University strives to provide access to an equal educational experience for qualified students with documented disabilities while ensuring that the integrity of all University standards and requirements is maintained. In support of the University’s commitment to transformative education, the Center for Access and Disability aspires to educate the Molloy Community to increase awareness, knowledge, and integration of those with disabilities.

If you are someone who would like to discuss your eligibility, please contact access@molloy.edu or contact Cari Rose-Tomo, Director at 516 323-3315 or Kathy Brunet, Assistant Director at 516-323-3316.

X. Housing Agreement

AGREEMENT for room and board entered into, by and between Molloy University, a New York educational institution having a principal office at 1000 Hempstead Avenue, Rockville Centre, NY 11571 (“University”), and the prospective resident named on the Housing Application (“Resident”) (referred to herein as the “Agreement”). By signing at the end, the Resident acknowledges that this Agreement has been read in full.

1. This Agreement will remain in effect for the entire 2022-2023 Academic Year or until a) the Agreement is terminated by the University; b) the Resident graduates; or c) the Resident withdraws from housing.

2. The University agrees to provide the Resident with room and board on a combined basis only. The room shall be located in a residence hall at the Rockville Centre campus. The University reserves the right to increase the capacity of any suite/room. The Resident must be officially enrolled as a full-time student (registered for 12 or more credits each semester) in order to be eligible for residence hall housing. If the Resident falls below 12 credits per semester, the Resident will be removed from the residence hall.

3. The Resident must have qualifying health coverage through a family health insurance plan, the Resident’s own insurance plan, the University’s student medical insurance plan,
or Medicaid.

4. At the beginning of each semester, the Resident shall pay the amount established by the University for room and board by the stated deadlines. The Resident must participate in one of the meal plans offered by the University. Unused meal plan money is carried over from the fall semester to spring semester as long as the Resident is continuously enrolled in the University. Any remaining balance will be forfeited at the end of the spring semester; unused funds will not be refunded nor carried over to the following semester. Residents are encouraged to check their balances regularly to keep track of remaining funds.

5. During the Agreement period, the University reserves the right to: (a) assign Residents to increase occupancy of any room to its designed capacity; (b) reassign rooms and/or residence halls; and (c) enter the Resident’s room: (i) if in the judgment of the University, such entry is required for the safety and/or security of the Resident or any other party; (ii) to inspect the Resident’s room and suite in order to conduct health and safety inspections; (iii) to perform any alterations or repairs for routine maintenance or by request through a work order; or (iv) as indicated in the Molloy University Residence Life Handbook, Molloy University Student Handbook or Molloy University Catalog.

6. The University is not responsible for the loss of and/or damage to personal property of the Resident and recommends obtaining appropriate insurance through a renter’s or homeowner’s policy.

7. The Resident shall vacate the assigned room and cease using the residential dining facilities upon withdrawal, graduation, termination or if the Resident otherwise stops attending the University. If the Resident fails to vacate the room and/or fails to cease using the residential dining facilities, the Resident shall be held liable for the payment of room and board charges incurred.
8. The University residence halls are alcohol, drug and smoke free facilities.

9. If the Resident withdraws from the University prior to the end of a semester, the refund of any portion of the amount paid for room and board funds will be made according to the University Refund Policy.

10. It is imperative that the Resident moves in during the posted move-in days prior to the official first day of classes for the fall and spring semesters. If the Resident will be arriving after the posted move-in days for the fall and spring semesters, the Resident must give written notice to the Office of Residence Life prior to the first day of classes. Failure to do so will result in the forfeiture of the right of the Resident to occupy a room.

11. The Resident shall not occupy the assigned room until the day of the official residence hall opening, and shall not occupy the assigned room later than closing times established by the University.

12. The Resident shall vacate the assigned room in good condition, adhering to established check-out procedures: (i) within 24 hours after the Resident’s last scheduled class/final exam or by the official residence hall closing time, whichever is earlier, (students who are participating in commencement exercises are allowed to stay in the assigned room upon approval from the Office of Residence Life); (ii) immediately upon the Resident’s officially withdrawal from the University; (iii) immediately upon the Resident’s withdrawal from the University’s housing program; or (iv) immediately upon the termination of this Agreement by the University. Personal belongings left behind after the communicated date of withdrawal, graduation or termination will be discarded by the University.

13. When taking occupancy of the room, the Resident shall sign the check-in portion of the
room condition report (RCR) after the Resident Assistant has completed the check-in process. Prior to signing the RCR, the Resident shall note any existing damage to the room or suite, any of the furniture, furnishings, fixtures or equipment so as to not be liable for such damage. If the Resident vacates the room at any time other than the end of the Academic Year, the Resident shall complete the Decline Form in the Office of Residence Life and follow the checkout procedures established by the Office of Residence Life.

14. The Resident shall abide by all rules, regulations, policies and procedures in the Molloy University Student Handbook, Molloy University Residence Life Handbook and the Molloy University Catalog, including any amendments (“Rules and Regulations”). Violations may result in the termination of this Agreement.

15. The Resident’s housing deposit of $450 to reserve the room is required. Upon acceptance to the housing program, the Office of Residence Life will confirm a due date for the deposit. If the deposit is not received by the due date, the Resident’s room in the residence hall cannot be guaranteed.

16. The Resident shall be liable for any loss or damage to suite/room or to the furniture, furnishings, fixtures, equipment or effects contained therein. If it cannot be ascertained who is responsible for the loss or damage in the rooms/suites or common areas of the residence hall/floor, the University has the right to assess each occupant of the residence hall, floor or room/suite and equal amount of the costs of the repair and/or replacement of the loss or damage. Charges imposed upon Residents are not final until reviewed by the Office of Residence Life.

17. The University shall not be liable for any damages, or be required to make a full or partial refund of room and board fees, because of any failure, delay or interruption in the University’s performance of its duties and obligations under this Agreement as a result
of circumstances beyond the University’s control, including, but not limited to, compliance with any law, decree, or order of any federal, state, or local governmental agency or authority, riots, war, public disturbances, strikes, lockouts, labor disputes, fires, floods, extreme weather events, Acts of God, pandemic, epidemic, or any other circumstances beyond the University’s control which make it impossible, illegal, impracticable for the University to satisfy its obligations under this Agreement (a “Force Majeure Event”). Failure, delay, or interruption of the University’s performance of its obligations under this Agreement due to a Force Majeure Event shall not constitute a breach of this Agreement.

18. The room and board agreement shall be consistent with the academic calendar. The residence halls will officially close for Winter and Summer Breaks. Residents who wish to reside on campus during Thanksgiving, Spring and Easter Breaks must sign up to indicate they will be on campus during those times and agree to follow procedures established by the Office of Residence Life and to pay a per diem housing charge if applicable. The University reserves the right to deny the Resident housing based on space/staff concerns or disciplinary record.

19. The Resident understands that the dining hall closes/operates on a limited schedule for Thanksgiving, Christmas, Spring Break and Easter; during these times, the Resident must provide his/her own food.

20. The University reserves the right to terminate this Agreement prior to the end of the Academic Year for violation of any University Rules and Regulations. In such cases, the University will give written notice to the Resident and the Resident shall vacate the room immediately after conclusion of the University judicial proceedings. Previous violations of the University’s Rules and Regulations may result in the denial of University housing.

Molloy University is proud of its ethnic and religious diversity. At the same time, as a Catholic
University, Molloy has an institutional commitment to be faithful to the Catholic message as communicated through the Catholic Church. Accordingly, residence hall policies and procedures are guided by these principles as outlined in the Molloy University Residence Life Handbook. Residents are expected to adhere to these policies, including, but not limited to those regarding visitation and respect of people and property.
